It offers a tranquil base from which to explore a wide range of awe-inspiring activities, all within easy access of the lodge. Showcasing incredible panoramic river views from its unique vantage, the shared lounge, library and dining areas are beautiful hubs of relaxation.

Livingstone has become a well-known destination because of its close proximity to one of the world famous 7 Natural Wonders of the World, the mighty Victoria Falls. The town itself has preserved much of its colonial

character over the years but is still presents an African feel with and busy charm. Rich in scenery and heritage, Livingstone today has become the tourist heart of Zambia.

Day 3-7 SOUTH LUANGWA NATIONAL PARK

After a delicious breakfast, guests will pack up and be transferred to Livingstone Airport in time for their 1 hour flight to Lusaka Airport where they will connect to their light aircraft flight to Mfuwe airstrip (1 hour). On arrival they will be welcomed by a representative of the intimate Chikunto Safari Lodge and a safari vehicle will transfer them on a scenic drive to the camp.

Chikunto Safari Lodge is located within the South Luangwa National Park less than an hour's drive from the National Park's Mfuwe gate. Flanked by rolling plains, plateaus, river banks and miombo vegetation our lodge is located in an area of distinctive natural beauty and has become renowned for its prolific wildlife and spectacular game viewing.

The lodge offers a range of unforgettable safari experiences and activities tailored to suit guests time and interests. This small-scale lodge enjoys sweeping views of the Luangwa

River and accommodates just 12 guests seeking a distinctive safari experience. Their 4 luxury tents and 1 family tent are each built on raised decking, with king or twin beds, mosquito nets, comfortable seating area, wardrobe and en-suite bathroom.

Bordering the Luangwa River, the northern and southern Luangwa National Parks contain some of the most breath-taking and untouched wilderness in Africa. As a result of this and the parks' successful anti-poaching campaigns, the area has developed into a world-renowned wildlife haven. The South Luangwa National Park is renowned for its walking safari, which allows visitors to view elephant, hippo and lion close-up under the supervision of professional and knowledgeable armed guides.
