Day 1 – 2
MAKGADIKGADI PANS NATIONAL PARK
Guests will be met at Maun Airport where they are then transferred by road to their lodge for the night in the Khumaga region, located along the Boteti River in Makgadikgadi Pans National Park.

The Makgadikgadi Pans are one of the biggest salt pans worldwide. They are formed by 2 large and thousands of small pans with an area of more than 8400km². The pans are surrounded by open grasslands, which attract the largest zebra migration after Tanzania.

During the rainy season from December to March, large herds of zebras, oryx, wildebeests, impalas and springbuck head south into the Makgadikgadi National Park where they feed on green pastures and make use of the many small waterholes.
Guests can enjoy a variety of activities, including game drives, nature walks, salt pan trips, boating (seasonal), and cultural experiences with the Bushmen.
Overnight at Moela Safari Lodge – Fully inclusive.

Day 3 – 5
KHWAI AREA
Guests transfer to Maun Airport for a light aircraft charter flight to Khwai Area.
The Khwai area, on the northern boundary of Moremi Game Reserve, is a private concession where wildlife roams freely between woodlands, rivers, and lagoons.
